

Annex III - Language adopted by past CCM formal meetings on the promotion of the norm

Event	Document	Text	Status
1MSP	Action plan	Discourage in every way possible all use, development, production, stockpiling and transfer of cluster munitions.;	Consensus
	Final Report	We welcome new States Parties, call on all signatories to ratify and urge States not yet party to the Convention to join as soon as possible and <u>we condemn the use of cluster munitions that causes unacceptable harm to civilian populations and objects, by any actor.</u>	Consensus
2MSP	Declaration	We deplore the use of cluster munitions in recent conflicts and indeed, <u>we condemn the use of cluster munitions that causes unacceptable harm to civilian populations and objects, by any actor.</u>	Consensus
	Final Report	We deplore the use of cluster munitions in recent conflicts and, indeed, <u>we condemn the use of cluster munitions, which causes unacceptable harm to civilian populations and objects, by any actor.</u>	Consensus
3MSP		N/A (no reference to condemnation)	
4MSP		N/A (no reference to condemnation)	
5MSP	Final Report	At the Fifth Meeting, States Parties expressed their strong concern regarding recent incidents and evidence of use of cluster munitions in different parts of the world. <u>They condemned all use of cluster munitions that defies the international norm established by the Convention, which is an essential part of ensuring that civilians will no longer suffer the consequences of such weapons and moving closer to a world free of cluster munitions</u>	Consensus
1RC	Declaration	<u>We condemn any use of cluster munitions by any actor.</u> Such acts run counter to the spirit, aim and letter of the Convention and exacerbate the humanitarian problem already caused by the prior use of these weapons with indiscriminate and inhumane effects.	Reservations
	Action plan	<u>In conformity with Article 21, raising concern about any alleged use and condemning any instances of documented use by any actor,</u> effectively calling on all States not party to accede to the Convention.	Consensus
6MSP	Declaration	<u>We condemn any use of cluster munitions by any actor, in conformity with Article 21.</u>	Reservations
7MSP	Final report	At the Seventh Meeting, States Parties expressed their strong concern regarding recent incidents and evidence of use of	Reservations

		cluster munitions in different parts of the world and <u>condemned any use by any actor, in conformity with article 21.</u>	
8MSP	Final report	States Parties expressed their strong concern regarding recent incidents and evidence of use of cluster munitions in different parts of the world and <u>condemned any use by any actor, in conformity with article 21.</u>	Reservations
9MSP	Final report	States Parties expressed their strong concern regarding recent incidents and evidence of use of cluster munitions in different parts of the world, and <u>condemned any use by any actor, in conformity with article 21.</u>	Reservations
